

Public Workshop

Public workshops are two-day events designed to enhance the training experience through interactive activities focused on sharing best practices and peer learning. All public workshops are facilitated by our Certified Trainers and provide a strong opportunity for development or vetting toward certification and organization-wide rollout strategies.

Durban, ZA
July 22-23, 2019

Situational Leadership®: Building Leaders

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.
