

Public Workshop

Public workshops are two-day events designed to enhance the training experience through interactive activities focused on sharing best practices and peer learning. All public workshops are facilitated by our Certified Trainers and provide a strong opportunity for development or vetting toward certification and organization-wide rollout strategies.

Situational Leadership®: Building Leaders

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.

Leveraging Your Power to Influence

Leveraging Your Power to Influence explores the dynamics that exist in the seven distinct, but highly interdependent, bases of power. Through this one-day course, participants will learn how to build and leverage their influence potential — up, down and across the organization.
