

# Public Workshop

Public workshops are two-day events designed to enhance the training experience through interactive activities focused on sharing best practices and peer learning. All public workshops are facilitated by our Certified Trainers and provide a strong opportunity for development or vetting toward certification and organization-wide rollout strategies.

**London, UK**  
**September 26-27, 2019**

## *Situational Leadership®: Building Leaders*

*Situational Leadership®: Building Leaders* introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.
