

Certification Workshop

Bucharest, ROU
May 13-15, 2019

Certification workshops are three-day, public events designed for trainers from various organizations to become certified in *Leading With Emotional Intelligence*.

Certification

Immerse your trainers in a diverse learning environment that focuses on providing participants with the tools and knowledge required to build better leaders in your organization. Our certification workshops prepare facilitators to present information effectively, respond to participant questions and lead activities that reinforce learning. Trainers are required to attend all three days of training in order to become certified.
