

Public Workshop

Public workshops are two-day training experiences with interactive activities focusing on peer learning and sharing best practices. All public workshops are facilitated by our Certified Trainers and provide a strong opportunity for development or vetting toward certification and organization-wide rollout strategies.

Situational Leadership®: Building Leaders

Situational Leadership®: Building Leaders introduces participants to the Situational Leadership® Model and equips leaders with the necessary tools to skillfully navigate the demands of an increasingly diverse workforce and evolving global marketplace.

Empowering Situational Leaders™

The *Empowering Situational Leaders™* program demonstrates the interconnected nature of leadership and power and is designed for participants at any organizational level. This program directly supports the use of the Situational Leadership® Model by providing tangible rationale for how power bases impact the effective or ineffective use of leadership styles.
