

Certification Workshop

Certification workshops are three-day, public events designed for trainers from various organizations to become certified in *Situational Leadership®: Building Leaders*. Immerse your trainers in a diverse learning environment that focuses on providing participants with the tools and knowledge required to build better leaders in your organization. Our certification workshops prepare facilitators to present information effectively, respond to participant questions and lead activities that reinforce learning. Trainers are required to attend all three days of training in order to become certified.

Situational Leadership®: Building Leaders

Schedule

Day 1: Trainers experience the one-day program as participants.

Day 2: Trainers are led through the Leader's Guide and learn to effectively and accurately deliver the course content.

Day 3: Trainers perform teach-back segments of the program and receive feedback from our Certified Master Trainer.

Support

In addition to becoming certified in *Situational Leadership®: Building Leaders*, trainers receive the following support:

- iSitLead® Application
- Trainer Development Calls
- *Situational Leadership®: Building Leaders* Facilitation Supplement
- LinkedIn Group: Situational Leadership® Trainers
