THE FOUR MOMENTS *of* TRUTH™

Trainee Guide

The Four Moments of Truth™ (4MOT™) Overview

Introduction

Your ability to translate learning to performance is directly related to how you prepare for training, engage in the experience and implement what you learned. A fundamental element of your success is the support you receive from your Next-Level Manager (NLM) before, during and after training. The 4MOT™ is a simple, practical process that ensures engagement and alignment between you and your NLM at these critical moments in the learning cycle. Each moment in the 4MOT™ represents a vital stage in the training transfer process where both you and your NLM play a role in how effectively your training will impact your performance. The 4MOT™ Quick Reference Guide (QRG) provides a snapshot of the process and the expectations for your role for each moment of truth.
