

INTRODUCING  

## WHERE SITUATIONAL LEADERS MASTER THE ART OF INFLUENCE

MyCLS is a cloud-based learning management system that enables learners to seamlessly access their course materials, assessments and post-learning sustainment activities – all in the same place.

**Personalized Learning Paths** guide the learner through every element of their training.

**Flexible Formats** allow learners to choose and access their learning on their preferred device for the optimal learning experience.

**Any time. Any where. Any device.**

# Engaging Learners. Building Leaders.

All MyCLS learners will have optional access to the following resources:

## THE FOUR MOMENTS OF TRUTH™

Drive behavior change through a structured, four-step sustainment process that involves both the Next-Level Manager and Trainee.

## DIGITAL POCKET REFERENCE GUIDE

Prepare leaders for conversations by highlighting Performance Readiness® indicators and providing tips for applying the appropriate leadership style.

## MICROLEARNING

Reinforce training through succinct, self-paced, focused learning activities designed to hone in on specific skills and enhance understanding.

## REFERENCE MATERIALS

Unlock the tools, models and resources for training in one convenient place during and after the event for enhanced understanding and review of key concepts.

## GAMIFICATION

Challenge your leaders through fun, interactive games and learning simulations designed to test the mastery and application of training.

## THE INFLUENCE SIMULATOR

Build expertise using practice scenarios to identify Performance Readiness® and understand the impact of a leadership style match or mismatch.

## DIGITAL PERFORMANCE READINESS® ASSESSMENT TOOL

Helps leaders accurately assess an individual's ability and willingness for a task, enabling them to match their leadership style and accelerate development.

## THOUGHT LEADERSHIP LIBRARY

Access blogs, articles, whitepapers and infographics from a central location to further develop leadership- and influence-related skill sets.

---

## ADDITIONAL FEATURES

The following features, among others, are also included to further enhance the MyCLS user experience:

**Intuitive  
User Interface**

**Single Sign-On and  
LMS Integration\***

**Portal Branding  
and Customization\***

*\*Additional costs associated with these items. Ask a Senior Account Executive for more information.*
